Your Vote is Your Voice

The choice we make in the voting booth is an individual one. But the decision to visit the polls is one that gives us strength as an association. It tells our elected officials, and our friends and family, that we have something important to say, and saying it is worth the effort. When CEA members cast their votes for governing officials, we are declaring that we are watching, listening and judging the effort. When CEA members cast their votes for governing officials, we are declaring that we are watching, listening and judging the effort.

On Nov. 3, you have the opportunity to vote for candidates who value public education. When we elect lawmakers who know that a good education is the foundation that makes our country strong, we protect our country’s future. We help ensure policy that helps our students’ futures. Make sure you vote in this year’s General Election. Your vote DOES count.

Know the Contract: Covering a Colleague’s Class

Sometimes teachers are absent from the classroom and there is no sub to teach that day. Section 209.04 of our contract addresses this situation. The contract requires teachers who receive students from teachers who are absent for a full day with no substitute provided to be compensated in the following manner:

- Elementary teachers who receive students from colleagues without a substitute receive additional pay at the rate of six times three-quarters of the supplemental hourly rate per day. No compensation is provided when an elementary unified arts specialist is absent without a substitute.
- Middle school and high school teachers who are assigned during their conference periods to cover an absent teacher’s class will receive pay at the rate of three-fourths of the supplemental hourly rate for each 45-minute period.

If a teacher in your building is absent without a substitute, please let your Association know by sending an email to telleca@ceaohio.org. Include your school, the teacher(s) without substitute(s) and the date(s). If you are due compensation because you covered for an absent substitute, keep track of the dates of your coverage. If you are not being paid for your coverage, please call CEA.

Special Notes

- CEA’s special election will be held Oct. 27–Nov. 10 for District 4 and 5 Governors to fill unexpired terms ending in 2017. Take the time to vote. Your participation in this election is central to the work we do.
- Oct. 30 is the last day for Open Enrollment for your medical benefits. All CCS employees are required to complete an insurance enrollment form, even if they are not making any changes to their benefits. Use enrollment #61436 and log into your Employee Self-Service Account to register for a plan counseling appointment.
- The CEA Voice will feature a list of all our members who served in the U.S. Armed Forces. We want to include all of you. Send your name and branch of service to Bob Hern at bherne@ceaohio.org. We will publish your name in the Nov. 9 issue. Veterans Day is Wednesday, Nov. 11.
