CEA Endorses the Following Federal Candidates:
Bargaining Update

CEA members have been asking for ways to become more engaged in the bargaining process. In preparation for the next round of bargaining, CEA developed the idea of town halls. A town hall serves as a way for members to come together and discuss ideas and current concerns while offering possible solutions for the next round of bargaining. On September 28 and October 12, members gathered at The Boathouse to participate in the first ever CEA Town Hall. CEA members were able to meet bargaining team members, learn about the bargaining process, and discuss proposals for the upcoming negotiations survey. If you were unable to attend one of the town hall events, you still have an opportunity to engage in the process.

On Friday, October 14, a link to the Bargaining Issues Survey was sent to your personal email address. This survey will remain active until midnight on Sunday, Nov. 13. This is your opportunity to have your concerns heard. All of the proposals submitted through the survey, as well as items discussed and submitted during the town halls will be compiled into a Bargaining Priorities Survey. For security reasons, you will not be able to open the survey on a district computer or your own device while connected to district wi-fi. If you did not get a link to the survey, and have checked your clutter, junk, and spam folders, please contact bargaining@ceaohio.org with your name, building/unit, and personal email address.

If you have any questions, please contact CEA Bargaining Chair, Teri Mullins at the CEA office, (614) 253-4731 or via email at bargaining@ceaohio.org. Online, you can propose changes (with solutions) by sending a message to bargaining@ceaohio.org. Be sure to include your name, building/unit and preferred phone number.

Records Day Is Coming

Through the power of collective bargaining, your Association added two additional district-wide records days into our contract in 2015. The first records day of the 2016-2017 school year will be Wednesday, Oct. 26. On this day, there will be no PD pull-outs, no forced TBTS, no suggested meetings by supervisors or administrators. This is your day to spend working in your building on whatever professional items you need to do such as grade cards, progress reports, IEPs, RIMPs, lesson plans, etc. Records day is a work day. All members are expected to report to work at their regular start time and work the full day. Let's show everyone how valuable this day is to us by taking full advantage of the time provided to complete things that take valuable time away from our ability to provide additional support for our students.
