

Extended Closure Survey

Prepared by the Columbus Education Association

March 23, 2020

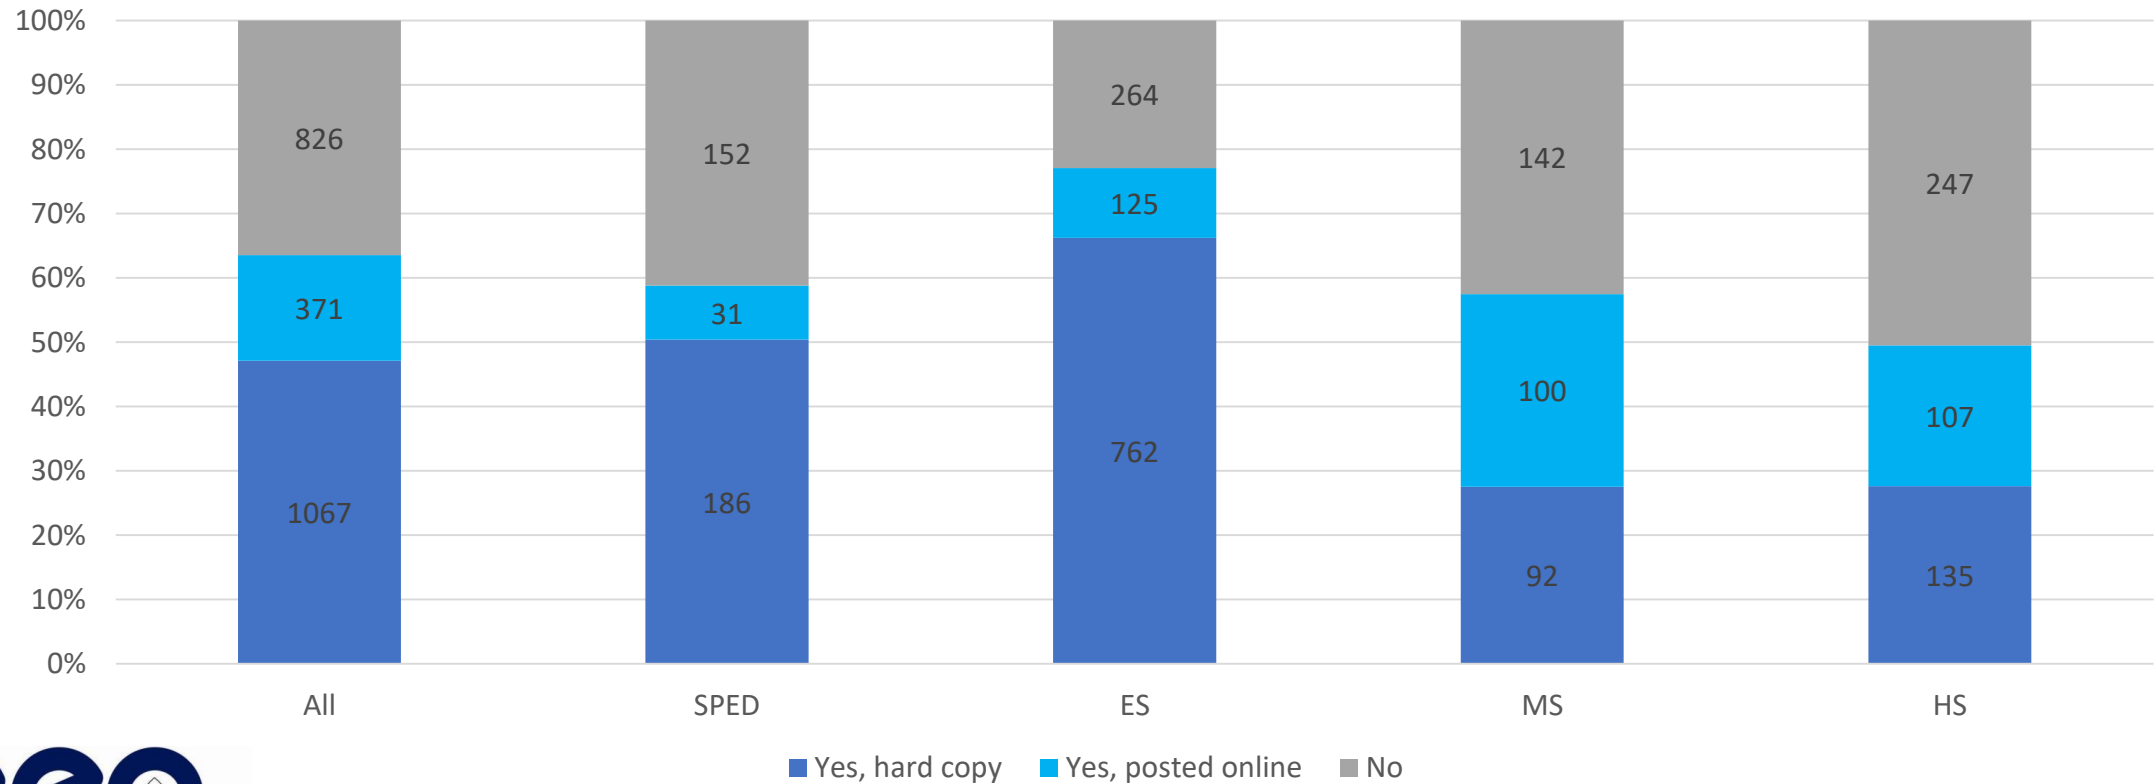

Demographic Summary

- On Wednesday, Mar. 18, 3,945 CEA members received an email with a link to the Extended Closure survey. The survey closed at 5 p.m. on Thursday, Mar. 19.
- A total of 2,758 CEA members responded during the 26-hour survey window, representing nearly a 70 percent response rate.

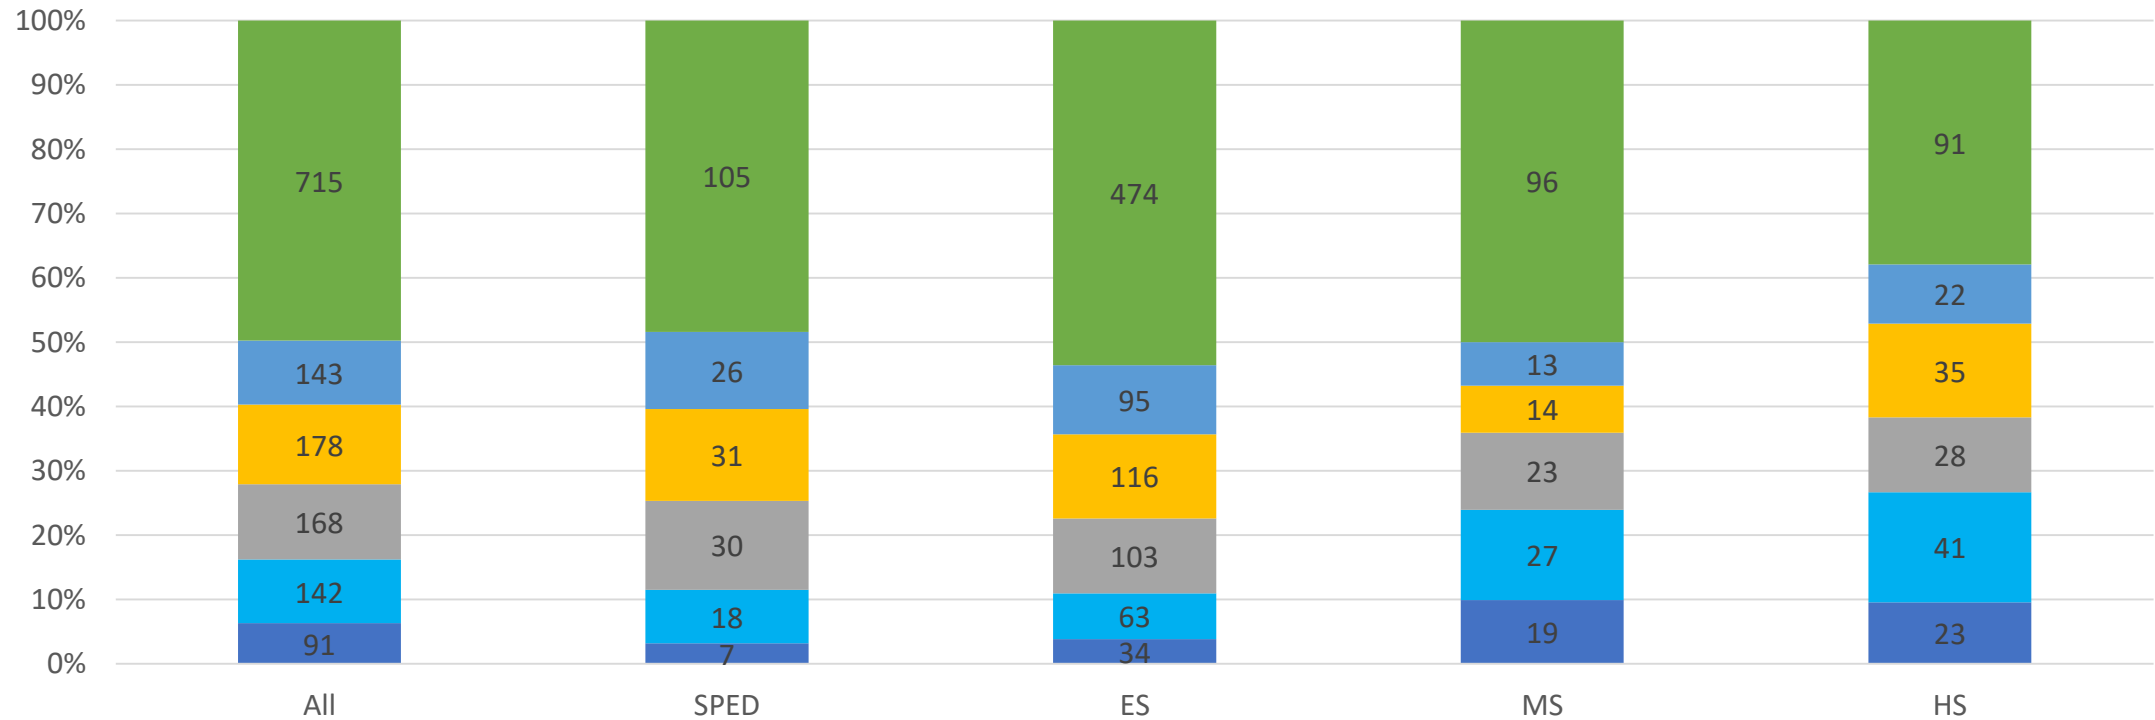

Work Provided Prior To Friday Shut Down

Prior to the schools shutting down on Friday, did you provide any work for students to complete during the district extended closure?

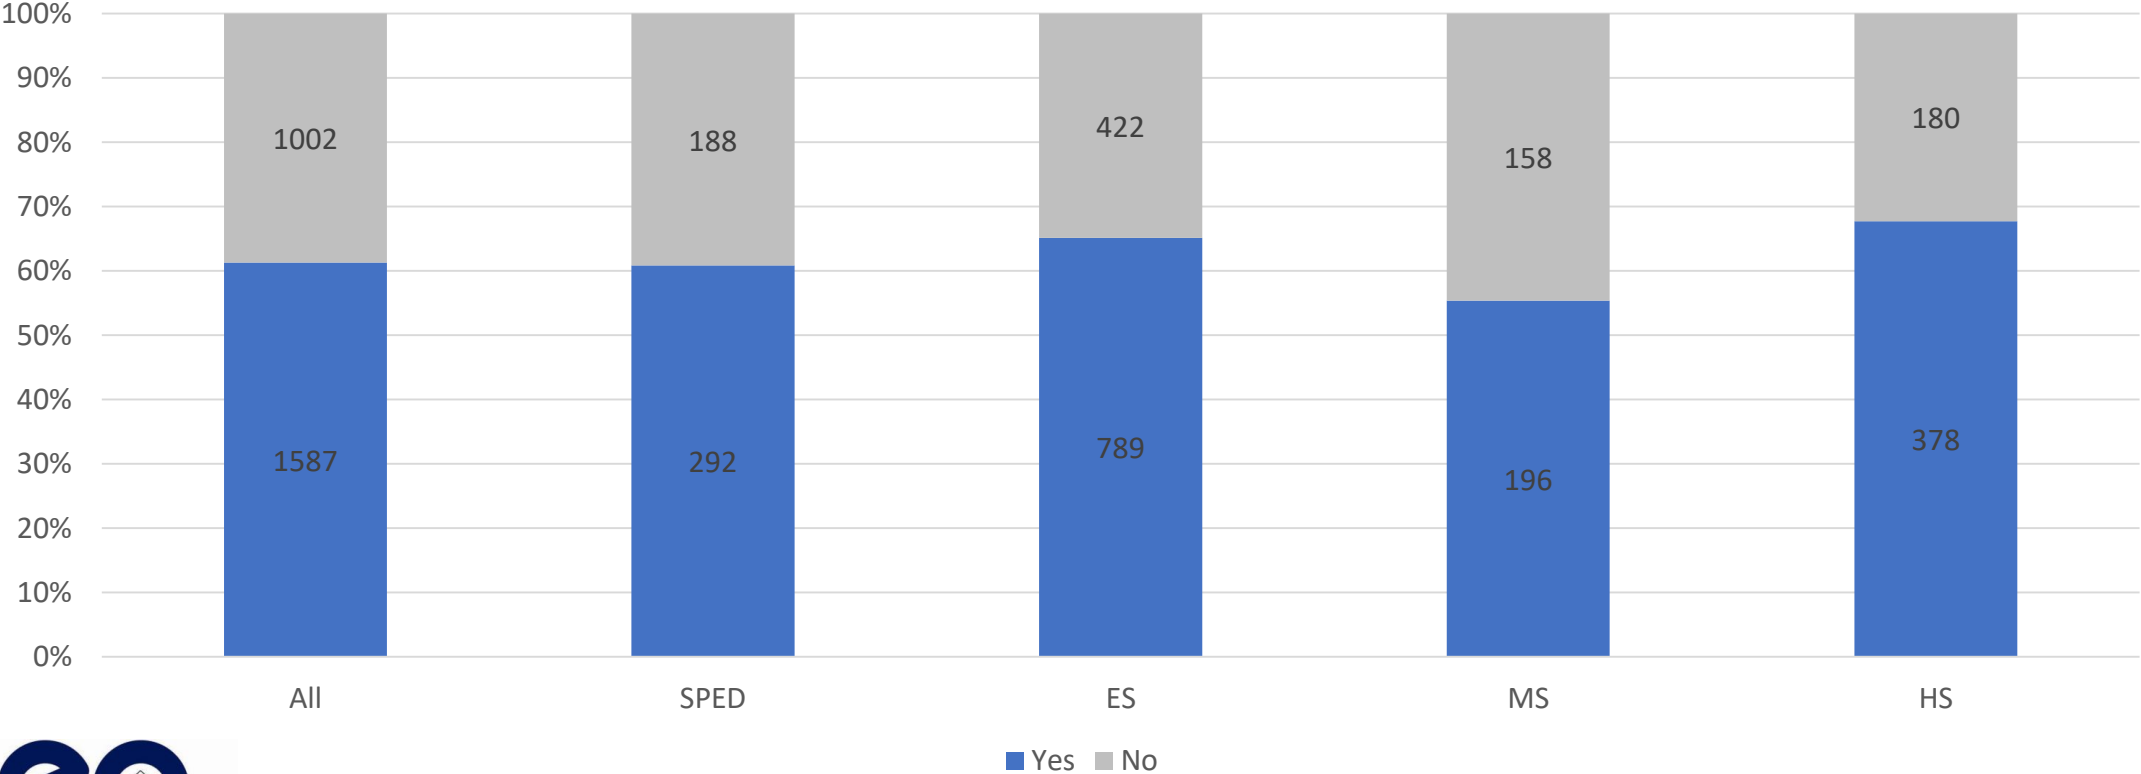

Expected Length Of Work Provided

You indicated you provided work (either online or hard copy) for students to complete during the building closure. How long do you expect this work will last students?

Contact With Parents

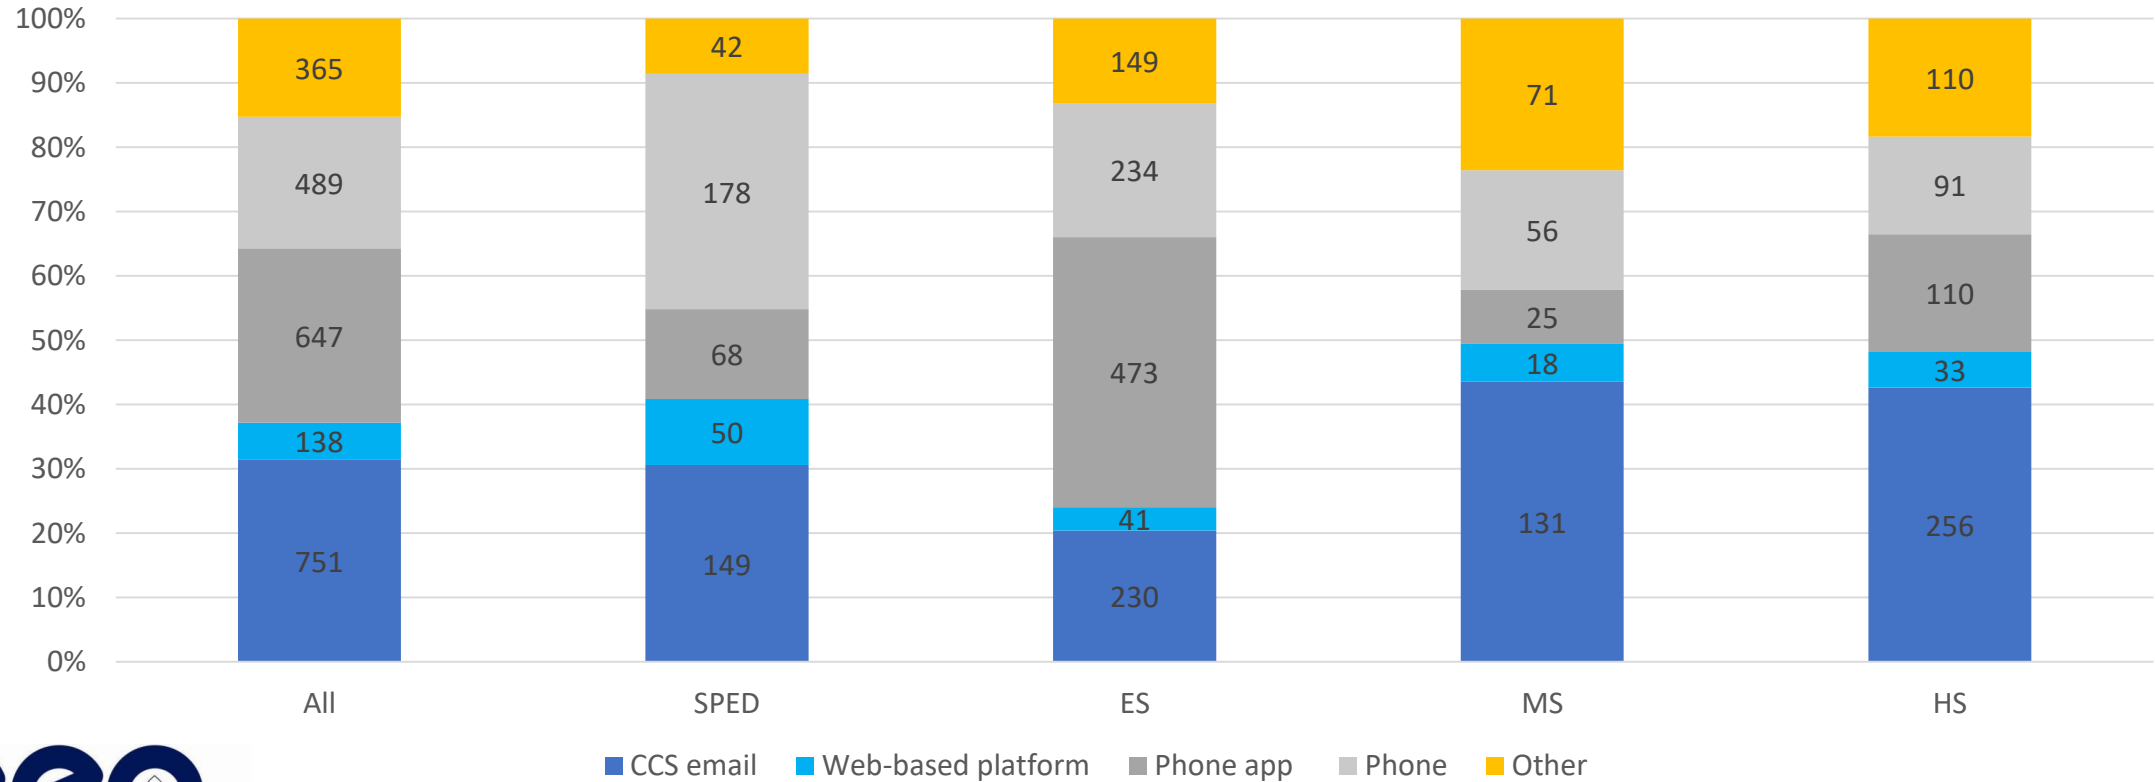

Since Monday, Mar. 16, have you had contact with students or families via email or another method of communication?

This information is the property of the Columbus Education Association.

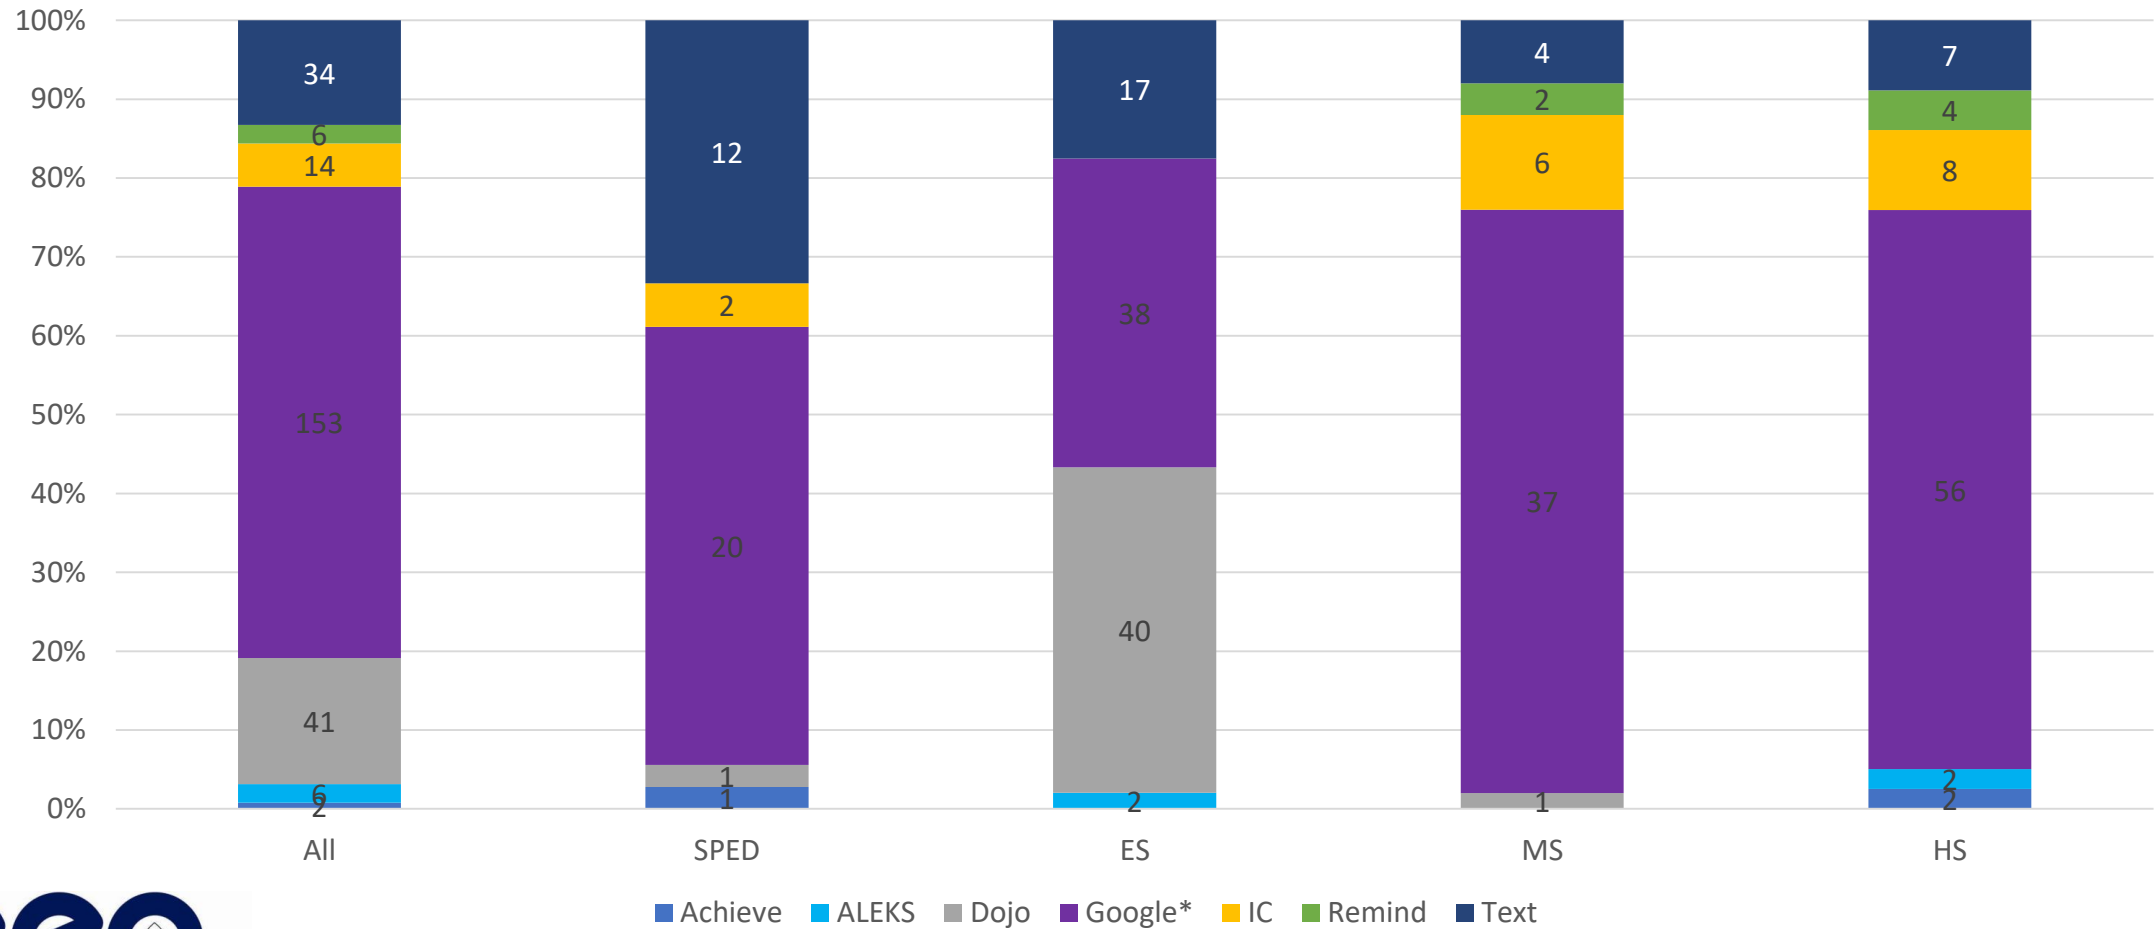

Methods Of Communication With Families

You indicated that you had contact with students or families since Monday, Mar. 16.
Please select the method(s) that you have used to communicate with families.

This information is the property of the Columbus Education Association.
