Benefits Open Enrollment; It’s Required

During Open Enrollment (Oct. 12–30, 2020), all benefit-eligible bargaining unit members must do one of the following:

1. Reconfirm any current benefit elections. Note that if you are planning to contribute to an FSA in 2021 you will need to make an election. Your 2020 election will NOT rollover.
2. Elect or make changes to benefits (add or delete dependents, update beneficiary information, etc.) It is important to know, if you are adding a new dependent to any of your Core benefits (medical, dental or vision), you will be contacted via CCS email by HMS (the third party verification administrator for CCS) to provide eligibility documents. Review page 7 of the 2021 benefits guide for detailed information.

Employee Self Service (ESS) will be used for the 2021 benefits enrollment process to enroll in CORE benefits (medical, dental, vision, and life). Make sure you are able to log on to ESS PRIOR to the start of Open Enrollment to ensure you are able to access the system at https://columbus.munisselfservice.com/default.aspx.

Benefit choices made during Open Enrollment will be effective Jan. 1, 2021.

This year’s Open Enrollment is completely virtual. To participate in Open Enrollment, benefit-eligible bargaining unit members can:

1. Meet online with a Benefits Counselor in a co-browsing session or over the phone. To schedule your meeting ahead of time, visit https://bit.ly/34f9HBJ. Scheduled Call Center appointments will be available from 10 a.m. to 6:30 p.m. Monday through Friday. You must be able to access ESS and join the Benefits Counselor on a computer with the ability to print your confirmation statement. You will be responsible for entering your information into ESS with Counselor assistance. Please note, if you are planning to make changes to your Voluntary Benefits, you must schedule a call with a Benefits Specialist, as Voluntary Benefits cannot be changed in ESS. Voluntary benefits include; short-term disability, critical illness, accident coverage, life insurance and pet insurance. You can also terminate any coverages during your meeting with the Benefits Specialist or call 1-800-735-0080 to terminate coverage.
2. Use ESS to confirm, change or waive your Core benefit elections on your own time. It is important to know that CCS must report health care coverage information for its employees and their dependents to the federal government. Please ensure the Social Security Numbers, dates of birth, and genders are entered correctly into ESS. Once you have submitted your elections, you should receive a confirmation page to your CCS email. If you do not receive the email, double check your submitted your elections.

As always, if you have questions regarding the Open Enrollment Process or about the plans, contact CCS Benefits Department by emailing them at benefitquestions@columbus.ohio.us or calling (614) 365-6475. Benefits information can be found on the CCS Benefits page at https://www.ccsoh.us/employeebenefits.

Options for any CEA Member Recalled to Work

Families First Coronavirus Response Act (FFCRA) – If you are caring for minors whose school or daycare is closed/ unavailable, you or a household member have tested positive for COVID-19, are exhibiting symptoms, waiting for test results, or are under a quarantine order you likely qualify for FFCRA leave. The FFCRA is an expansion of the widely known Family Medical Leave Act (FMLA) passed as part of the CARES act, and is available through Dec. 31, 2020, unless Congress passes an extension. FFCRA includes two major components; Emergency Paid Sick Leave (EPSL) and Emergency Extended FMLA (EFML). These leaves, combined, can cover up to 12 weeks of paid leave. They are in addition to district leaves and do not affect sick leave balance. The member may elect to use sick leave simultaneously to receive full pay instead of the 2/3 pay provided for by FFCRA. These leaves can be used intermittently just like FMLA. Finally, it is extremely important to know that the district is offering remote work as an option in lieu of FFCRA leave, if approved by your supervisor.

If you are denied or have questions specific to your situation, contact the CEA office.

Americans with Disabilities Act (ADA) – The ADA is a Federal Law that requires employers to make reasonable accommodations for individuals with a diagnosed disability. If you have been diagnosed with a physical condition which puts you in a COVID-19 High Risk Category (see https://bit.ly/3cRwnYL) or a mental health condition that is worsened by the COVID-19 pandemic you may be eligible for accommodations under the ADA. These accommodations can include, but are not limited to, additional PPE, increased distancing, transfer to a vacant position with less contact with other people, remote work, or even medical leave.

• Apply for ADA Accommodation at https://bit.ly/2ScYnR6
If you are denied or have questions specific to your situation, contact the CEA office.

Unpaid Medical Leave – All Board of Education employees are eligible for Unpaid Medical Leave of up to two years according to the Ohio Revised Code 3319.13. If you do not fall in to one of the categories above and do not wish to return to work in the current environment, this is an option available to you. Contact the CEA Office for more information.

Health and Safety

The health and safety of CEA members, our students, and school community remains the number one priority of your Union. As a reminder, our MOU contains specific health and safety protocols as well as an expedited reporting process for health and safety issues. CEA has made clear to district leaders that all options remain on the table, including health and safety work stoppages if proper COVID-19 protocols, are not followed. If you feel unsafe at work due to violation of COVID-19 protocols or for other reasons, immediately notify CEA at CEAHealthSafety@ceaohio.org.

Contract/MOU Enforcement

Our 2019–2022 Master Agreement and Return to School MOU remain in full force and effect. If you are asked to alter your work schedule, assignments, or duties in conjunction with a return to in-person work, notify your CEA Faculty Representative or the CEA Office immediately. Any changes to the Master Agreement or MOU must be bargained with CEA and cannot be unilaterally implemented. Continue to notify your CEA Faculty Representative if you observe administrative actions, or are directed to complete a task, in violation of our CEA Agreements. Finally, administrators attempting to bargain with individual members or groups of members, regarding a return to work or any working conditions directly, without including CEA, is a violation of state law. Be alert and notify CEA immediately.

After State Fails to Act on KRA, CEA Intervenes for Member Safety

The State Board of Education failed to act on any modifications to the Kindergarten Readiness Assessment Requirement for in-person testing during their meetings on Sept. 19 and 20. As a result, all school districts are required to conduct the KRA in-person, regardless of their status of providing virtual or hybrid learning. Fortunately, your union prepared for this setback by meeting with CEA members to survey them about safety concerns and to inform them of their rights to apply for FFCCRA leave or ADA accommodations.

Upon learning of the State’s failure to act, CEA went to work immediately using feedback from our meetings and surveys to demand adjustments to the District’s KRA safety plan; most notably, absolute clarity about who was responsible for cleaning testing stations in between assessments and the addition of sneeze guards (plexiglass shields) to be provided for each member conducting assessments. Despite initial pushback, we are pleased to report that the district responded to our demands by notifying us that building custodians will be responsible for cleaning testing stations that sneeze guards will be provided at each testing station. This would not have happened without the participation of CEA members in their Union and the tireless fight of CEA leadership to ensure member health and safety. As we face a growing list of challenges this school year, we continue to prioritize the safety of our students, members, and school community.

Building Substitutes

Last spring, the HR department began to offer each school the opportunity to have the option of having a building substitute. That individual would be assigned to a building and be the first person to call on to fill an absence. To receive a building substitute, administrators simply had to request that one be provided—at no cost to your principal’s budget. Principals who have not yet requested a building substitute may still do so by emailing sens@columbus.k12.oh.us.

Your Union would like to thank the principals at the following schools for requesting a building substitute:

**Grievance Update**

Your Association works hard to protect your rights and maintain the integrity of the negotiated contract. While we advise bargaining unit members to work out problems at the building level first, we know this isn’t always possible. We will regularly inform you of the grievances on which CEA is working.

Evaluation Update

At the beginning of the school year the Joint Evaluation Panel voted to pause virtual walk-throughs and observations in case the Ohio Department of Education (ODE) and/or legislation would have some additional guidance for school districts. The JEP agreed to reconvene on Tuesday Sept. 22, 2020, to determine how to move forward with the 2020–2021 evaluation process. The Joint Evaluation Panel voted to move forward with 2020–2021 evaluation cycle with the following caveats:

a. Virtual walk-throughs can be conducted if a staff member is remote for three (3) or more days a week. Should the staff member return to face to face instruction three (3) or more days a week, virtual walk-throughs will no longer be permitted.

b. Virtual observations can be conducted as long as the staff member is 100 percent remote. Should the staff member return to face-to-face instruction at least one day a week, virtual observations will no longer be permitted.

c. There will be no virtual walk-throughs or observations of recorded material, unless a staff member initiates a request to the evaluator within five school days of the recorded lesson occurring.

d. Should legislation pass that impacts the 2020–2021 evaluation, the committee will reconvene to make any necessary adjustments.

e. While working virtually, if a staff member experiences a technology failure/commandeering of electronic platform which gets included in the evaluation record it would constitute a procedural error and could be appealed as such.

f. These changes to the evaluation protocols are only effective for the 2020–2021 school year.

There is currently a proposal in the Senate, SB 358, that may impact the evaluation process. As of the Joint Evaluation Panel meeting, it had been through two hearings of the Senate Education Committee. We will share updates as they become available. If you have any questions about the Evaluation process, please reach out to Terri Mullins via email (tmullins@ceaohio.org) or call the CEA office at (614) 253-4731.

Retiring? Avoid OTES

Bargaining unit members who are planning on retiring at some point in the 2020–2021 school year can be exempted from the Ohio Teacher Evaluation System. If you would like to exercise this option, you must submit the notice of retirement by Friday, Oct. 30, to Human Resources. Go to http://bit.ly/essecretireesign or feel free to draft your own.

While we are working remotely, you can email your notice of retirement to Terri Trigg (trigg@columbus.k12.oh.us) in Human Resources. If you have further questions regarding this option, contact Terri Mullins, CEA Staff Consultant at (614) 253-4731.

Building Staff Meetings

The recent MOU did not change Article 205 in the Master Agreement relating to building staff meetings. CEA bargaining unit members assigned to a school building are required to attend up to two regular building-level staff meetings per month, if called by the principal. Staff meetings should normally be held on Mondays. Additionally, staff meetings should occur at the end of the workday and not extend longer than 45 minutes after the end of the bargaining unit members’ workday.

If your administrator violated Article 205 by requiring that you attend building staff meetings that are being held during the workday notify your Faculty Representative or call the CEA Office.

Correction: Avondale ES was omitted from the attendance list at the last CEA LA. We apologize for the error.
