Looking for a Job Share?

Job sharing provides a way for teachers who wish to continue their employment with Columbus City Schools in less than a full-time capacity. Most job shares are a 50/50 split, but other arrangements can take place.

If you would like to job share with another bargaining-unit member, each partner must complete their own job-share packet. The documents must be signed by both job-share partners, as well as the principal or supervisor where the job share is to occur. Once the job-sharing request is approved, the job share cannot be dissolved unless all parties agree (teachers, principals or supervisors, and HR). To download the job-share packet for the 2021–2022 school year, go to the CCS Intranet.

CEA will compile a list of bargaining-unit members who are looking for job-share partners. To add your name to the list, go to https://bit.ly/jobshare2122 and fill out the online form. Even if you submitted your name last year, complete the online form again this year. Submit the completed form no later than 11:59 p.m., Thursday, Dec. 17. On Friday, Dec. 18, a list of potential job-share partners will be emailed to each applicant completing the online form to assist in finding a jobshare partner. Each partner’s completed job-share packet is due to CCS Human Resources, no later than 5 p.m., Tuesday, Jan. 12. If you have further questions about job sharing, contact Cindy Love at CEA at (614) 253-4731. If you are planning to job share and to carry insurance through CCS, the rate you will pay will be significantly higher than what you would pay as a full-time teacher. Contact CCS Human Resources Benefits Department to determine your cost.

HB 404: Additional Flexibility for Schools, Students, and Educators Due to Covid-19

The Ohio General Assembly has extended flexibility provisions impacting evaluations, licenses, assessments, health screenings, food processing program registration, retirant re-employment, college credit plus, and electronic meetings by public bodies.

House Bill 404 (R-Manchester/D-Sweeney) received final approval from the General Assembly on Nov. 19, 2020. The bill will be effective immediately upon being signed by the Governor. To see a summary of House Bill 404, go to https://bit.ly/3nMCXrK.

Legislature Makes Changes to EdChoice Eligibility

Earlier this year, the House and Senate were at an impasse over EdChoice vouchers as more than 1,200 buildings were set to become voucher eligible based on flawed school report cards. Unable to reach a long-term agreement, a freeze in eligibility was enacted carrying the 2019–2020 list of 517 schools forward for the 2020–2021 school year.

This week the General Assembly made changes to eligibility for the EdChoice voucher program. The changes were made by a conference committee for Senate Bill 89. Previously, the House-passed version of SB 89 contained many positive provisions including moving away from pass-through funding of vouchers and dissolution of existing academic distress commissions impacting evaluations, licenses, assessments, health screenings, food processing program registration, retirant re-employment, college credit plus, and electronic meetings by public bodies.

Applying for Unemployment

Recently, the District has been seeing a number of claims filed by bargaining unit members who are working full time and being paid regularly. The State of Ohio Job and Family Services, along with CCS District personnel, are required to process and respond to each one of these claims which will be denied. The District is asking full time teachers to not file a claim if you are being paid your full salary as this takes resources from both the state and the District away from people who are truly unemployed and need the assistance. Please be considerate of people who are not receiving any pay or benefits when you think about applying for unemployment when you are not eligible.
Bill to Alter Training Requirements for Armed School Staff Passes Ohio Senate

This week, Senate Bill 317 (Coley-Liberty Township) passed the Ohio Senate 21–11. The bill seeks to reverse the recent 12th District Court of Appeals ruling on Gabbard v. Madison Local School Dist. Bd. of Edn., 2020-Ohio-1180, regarding training requirements for arming school staff. This decision is on appeal at the Ohio Supreme Court.

Specifically, the bill would exempt district staff authorized by local school boards of education to carry concealed firearms from a requirement that peace officer basic training be obtained. OEA opposes the legislation. The safety of Ohio’s students and school staff necessitates increased training requirements for armed personnel, not less.

The bill now heads to the Ohio House for consideration.

Special Notes
☐ Catastrophic Leave Donation Request: Michelle A. Innis-Dorsey has been approved for Catastrophic Leave and is in need of donated days. To donate, enter your name at the top of the CCS “Report of Employee Absence” form. In the “Comments” section, write the words, “Catastrophic Sick Leave Donation.” Be sure that you and your principal or supervisor sign the form. Indicate on the form to whom you are donating the sick time.

☐ Professional Leave: There is $200,000 available to bargaining unit members each year to pursue professional development opportunities outside the school district. These include taking a course or attending a conference or workshop. Due to the COVID-19 Pandemic, all district-related travel has been prohibited, however, professional leave is available for online conferences. Forms to apply for professional leave are available in the “Forms” section of the CEA website or the CCS Intranet, along with the full leave guidelines and the deadline schedule for applications based on the activity date. The fund is usually depleted before winter break, so if you have been thinking about some special training activity, apply as early as possible.

☐ Save the Date: CEA December LA—One of the many duties of Faculty Representatives is to attend the CEA Legislative Assembly (LA). Held on the first Thursday of nearly every month of the school year, the LA is the policy-making body of your Association. Your elected faculty representatives receive vital updates from CEA officers and staff and vote on important issues affecting your Association and its members. Any CEA member is welcome to attend the LA. The next meeting will be held Thursday, Dec. 3, at 4:30 p.m.

☐ Paid Holidays: Know Your Leave Balance
Section 1501.03 of our contract provides for certain paid holidays throughout the school year, such as winter break. Pay for holidays is not a given. Members who are not in a “paid” status the day immediately preceding the holiday and the day immediately following the holiday will not receive holiday pay. If you are absent and you are not on paid sick leave or personal leave, you will forfeit the pay for those holidays. Call the CEA office if you have questions.

Correction: The amount of the CEA Member Scholarship listed in the Nov. 23, 2020, issue of the CEA Voice was incorrect. The good news is that the correct amount is $250 greater than reported. The correct amount is $1,500 per scholarship awarded. We apologize for the error.

Remember that your CEA Master Agreement is always located on our website at www.cceaohio.org/cea-contract/ and click on 2019–2022 CEA Master Agreement
