

It's Mini Grant Time!

This year the CEA Mini Grants Committee is pleased to announce two big changes to the Mini Grant application process. First of all, the committee determined there was a desperate need to add an SEL Mini Grant. Additionally, the entire process has gone paperless.

Members who wish to apply for fall 2021 Mini Grants will need to scan the QR Code to the right. A blank Google Form will appear; this is the new grant application. Please read and follow all directions to not delay the processing of your proposal. If members need assistance with this new application process, please reach out to Tracie Helmbrecht at 614-398-1201. **All Fall 2021 proposals must be submitted by 4:30 pm on October 27, 2021.**

There are four different grants from which to choose. Members are allocated one Mini Grant per school year.
