Power Concedes Nothing Without a Demand
On Tuesday, Jan. 11, Parsons ES went to remote learning due to a lack of heat on the first floor. Despite this, CEA members were directed to report. Upon learning this, your Union immediately notified the administration, expecting a quick response. The administration assured the Union repairs were in progress and their solution was to set the one functioning boiler to 85 degrees. This action began to warm up the cold rooms but would eventually cause the other rooms to become intolerably hot.

CEA Senior Faculty Representative Nicole Shanks met with all of the affected members and they made the unanimous decision to exercise their legal right to declare a health and safety work stoppage at 2 p.m. Within 20 minutes of that communication, the Deputy Superintendent, Senior Director of Talent (the new name for HR) and Dr. Dixon were onsite.

The SFR, CEA VP Phil Hayes and the administration inspected the first floor and the temperatures in the rooms and common spaces. With just ten minutes before the 2 p.m. deadline, the affected CEA bargaining unit members met in the gym to decide their next step. They decided that the administration had made accommodations and that their rooms had begun to warm and it would be safe to remain for the day. However, they expressed concern about what the next day would bring—if their students would be remote or “all in,” knowing their students and their families would be the last to know. After that discussion, the teachers summoned Dr. Dixon to the gym to notify her of their decision.

The SFR informed Dr. Dixon of the members’ decision to remain but explained the shared concerns that the staff held for the next day. Dr. Dixon responded that Wednesday would be a Calamity Day for Parsons ES and that the families of the students would be notified immediately. Within a half an hour of the conclusion of the meeting, the District phone dialer was activated. Health and Safety is a fundamental part of our fight.

The CEA Master Agreement is set to expire in fewer than 216 days.
Grievance Update

Your Association works hard to protect your rights and maintain the integrity of the negotiated contract. While we advise bargaining unit members to work on our problems at the building level first, we know this isn’t always possible. We will regularly inform you of the grievances on which CEA is working. To review the text of each grievance in its entirety, go to https://bit.ly/3tqgFE.

Textbook Selection Committee Nominations

Our Master Agreement provides CEA members input into vital classroom decisions. Section 504.01 details the agreed-upon framework for one of these, textbook selection. When it is time to review textbooks in a particular subject area, teachers from those subjects participate. The District will be selecting the following resources for World Languages/Language Immersion:

- World Languages (6-12)
  - o French
  - o American Sign Language
- Immersion (K-8)
  - o Spanish
  - o French

Note: Each grouping above represents a separate textbook committee. Bargaining unit members may only serve on one committee due to the RFQ process. Here’s how the process works:

1. CCA posts a notice asking for textbook-adoption committee participants.
2. Nominees should be on school letterhead signed by the principal.
3. Each of the building nominee elections is conducted by its principal or designee.
4. Nominees go to a joint Association and Board committee for a final vote.

Records Day

The second records day of the 2021–2022 school year will be Wednesday, Jan. 19. CEA bargaining unit members may work remotely from home on this day. There will be no PD pullouts, no suggested meetings by supervisors or administrators on records day. This is your day to spend working in your building on whatever professional items you need to do such as grade cards, progress reports, IEPs, RIMPs, lesson plans, etc. Records Day is a work day. All members are expected to work the full day. Let’s show everyone how valuable this time is to us by taking full advantage of the time we get to focus on our work. Only those teachers from each pertinent subject area and grade level at schools involved elect the nominees.

CEA bargaining unit members who are not CCA bargaining unit members were directed to report to Valley Forge.

Is Your License Expiring?

If your license from the Ohio Department of Education (ODE) is expiring June 30, 2022, and you have a limited employment contract, you must complete the required coursework or CEUs necessary for renewal and apply before Mar. 15 to be licensed by ODE for the 2022–2023 school year. If you have a continuing contract, you have through June to complete your coursework and submit your application. Failure to renew your license may result in suspension of pay and initiation of termination/non-renewal proceedings.

Any questions concerning CEUs or the license renewal process should be directed to Greg Mild at gmild@columbus.k12.oh.us.

For remote work cannot be approved for bargaining unit members who must remain at home to take care of family members who are subject to an isolation or quarantine order.

Super Severance: Good Attendance Pays Off at Retirement

If you want enhanced (super severance) pay, our contract requires members to notify the District of his or her intention of retirement by Feb. 1 of their retirement year. You will receive pay for 50 percent of your personal leave days, regardless of when you notify CCA, but notify the district by Feb. 1 means you receive more for your unused sick leave. Article 810 of the CEA Master Agreement defines how severance pay is granted. To estimate the amount of your severance pay, access Employee Self Service and use the severance pay estimator. You will need your latest pay stub to obtain the necessary information. Notifications of retirement are being accepted in electronic format only. To submit your notice of retirement, go to https://bit.ly/3F3wFS.
