RIMP Update

As you know, your Union grieved the Superintendent’s unilateral raising of the third grade cut score for RIMPs. CEA did this because we believe labeling students who are reading at or above grade level, for the sole purpose of gaming a flawed state report card, is wrong.

On Tuesday, Oct. 1, CEA held a press conference on the steps of the Columbus Education Center prior to the Board’s meeting. At the press conference, CEA member and third grade teacher, Jaquia Hearn (West Broad ES), explained how this directive hurt our students, their families, and our members. At the meeting, CEA President John Coneglio delivered more than 150 letters from third grade teachers to the Board of Education requesting a change in the RIMP score. Additionally, third grade teachers Benita Smith (East Columbus ES) and Rachel Concitis (Winterset ES) explained to the Board why this decision was not good for kids.

Your Union was appreciative of the thoughtful questions that the Board members asked. The Superintendent stated, “we acknowledge the decision that we made may not have been in the best interest of all parties.” This decision was not made in anyone’s best interest—especially our students. Your Union takes offense at the Superintendent’s statement suggesting that the decision was arrived at in a collaborative fashion with CEA. Telling someone what you’re going to do without seeking any input is not collaboration.

The Superintendent suggested that a joint committee be formed to address the situation. Your Union has had productive conversations with Board members about this issue since the meeting. On Thursday, Oct. 3, the CEA Board of Governors met and unanimously approved CEA President John Coneglio’s appointments to the committee. The committee will meet with the administration Monday, Oct. 14, to attempt to arrive at a solution.

If our District leadership is serious about moving the achievement needle and avoiding state takeover, they must work with teachers to shape policies that truly benefit our students. Policies or unilateral directives that are dictated from above with little to no consideration about their implementation or their impact on students, teachers, and their family are doomed to failure. Your Union must be a significant part of this process. If our members’ concerns fall on deaf ears, we will find a way to make the right people listen.

Teachers are the professionals and work daily to ensure the academic success of our students. We have more impact on our students than any principal, district official, or Superintendent. It’s better for CEA to be at the table when policies are made than to be gavelled down at the Board podium trying to express why something is wrong for our kids.

United Way Kickoff

The CEA Legislative Assembly, along with district administrators and CCS Superintendent Dr. Talisa Dixon, kicked off this year's United Way campaign at the Columbus Downtown HS on Oct.

3. The United Way is extremely important to our families and our students.

Look across your classroom. There are probably students sitting there who don't have enough to eat, whose parents have lost their jobs, who don't have access to a dentist, whose neighborhoods are not safe. You can do something to help. You can give to United Way of Central Ohio. When you authorize a payroll deduction to support United Way, you are helping your students, their families, and many other people across our communities.

The deadline for the early-bird drawing to win breakfast for your school with Superintendent Talisa Dixon and CEA President John Coneglio is Friday, Oct. 18. The campaign ends Friday, Nov. 1. Completed United Way campaign envelopes should be hand delivered to the CEA office between 8:30 a.m. – 4:30 p.m. Do not put campaign envelopes in school mail or in U.S. mail. If you have questions, contact your faculty representative or CEA Vice President Phil Hayes at (614) 253-4731.

LA Attendance

One of the many duties of Faculty Representatives is to attend the CEA Legislative Assembly (LA). Held on the first Thursday of nearly every month of the school year, the LA is the policy-making body of your Association. Your elected faculty representatives receive vital updates from CEA officers and staff and vote on important issues affecting your Association and its members. Any CEA member is welcome to attend the LA. The following is a list of buildings/units represented at the Oct. 3 CEA Legislative Assembly at the Columbus Downtown HS:

Records Day

The first Records Day of the 2019–2020 school year will be Wednesday, Oct. 23. On this day, there will be no PD pull-outs, no forced TBTs, no suggested meetings by supervisors or administrators; they also get and need this time. This is your day to spend working in your building on whatever professional items you need to do such as: grade cards, progress reports, IEPs, RIMPs, lesson plans, etc. Records day is a work day. All members are expected to report to work at their regular start time and work the full day. Let's show everyone how valuable this day is to us. Take full advantage of the time we have to get the things done that take valuable time away from our ability to provide additional support for our students.

No Need to Wait Until Nov. 5

In less than a month, Election Day will be upon us. But you don't have to wait until Election Day to participate—you can vote early. If you live outside of Franklin County, go to <http://bit.ly/1PeOJ9f> to find your county's board of elections location and early voting hours.
