LEAVES OF ABSENCE PROCESS

Continuous Leave of Absence

2. Submit the medical certification forms to your medical provider and ask that they return the forms to Broadspire.
Until a leave of absence is formally approved by Broadspire, it is your responsibility to enter your absences in the appropriate attendance reporting system. (Red Rover, Kronos, or ESS)
3. Once all documentation has been received by Broadspire, you will receive a determination notice from Broadspire advising you of your approval or denial within five (5) business days.

4. Once a leave of absence is approved, you and your supervisor will receive a notification that your leave of absence is approved with your anticipated return-to-work date.

Red Rover and Kronos users: Upon leave approval, your absence will be entered by the leaves of absence team into your attendance reporting system.

ESS users: Upon leave approval, you must continue to enter your absences into ESS.

While on a Leave

1. If you go on an unpaid status while on a leave, you will be contacted by the CCS Leaves Team (HR) with information regarding your last paid date. You will also be contacted by the CCS Benefits Team regarding benefits payments during this period.
2. If you need to extend or change the dates of your leave, please contact Broadspire and inform your supervisor of these changes.

Returning from a Leave

1. To return from a leave of absence for care of a family member:

- You must notify Broadspire and your supervisor of the date you intend to return to work.
- A medical note is not necessary but you must provide at least a three (3) day notice of your intent to return to work to Broadspire for a paid leave, and thirty (30) days for an unpaid leave.

LEAVE INFORMATION FOR ALL EMPLOYEES

FAMILY & MEDICAL LEAVE ACT

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

The Family Medical Leave Act (FMLA) requires employers to provide eligible employees with up to twelve (12) weeks of unpaid, job-protected leave during a rolling calendar year for the following reasons:

- Incapacity due to pregnancy, prenatal medical care, or child birth.
- To care for the employee's child after birth, or placement for adoption or foster care.
- To care for the employee's spouse, son or daughter (under age 18), or parent who has a serious health condition.
- A serious health condition that makes the employee unable to perform the employee's job.
- Certain military-related, qualifying exigencies.

Family Medical Leave may consist of paid leave, unpaid leave, or a combination of both, depending on the your leave balances and your medical care provider's recommended period of absence. In the event of a leave of absence for FMLA, intermittent FMLA, or medical leave, your accrued time will be processed in the following order until all available time is exhausted: sick time, personal time, vacation time.

To be considered for a leave of absence under the FMLA provisions, your medical care provider must complete the "U.S. Department of Labor Certification of Health Provider" form, or write a statement for the employee.

Intermittent/Reduced Schedule FMLA - Twelve (12) weeks of unpaid leave during a calendar year can be used for intermittent family medical leave. You must have a medical need for such leave, and it must be that such medical need can best be accommodated through an intermittent or reduced leave schedule.

Benefits and Protections - During FMLA Leave, Columbus City Schools must maintain your

health coverage under any "group health plan" on the same terms as if you had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

FMLA Family Illness - an absence as a result of a family member's serious health condition, as defined under the FMLA. Approval from Human Resources or Broadspire is required for FMLA eligibility to cover illness for a family member defined as "a spouse, child or parent".

FMLA Personal Illness - an absence as a result of a serious health condition, as defined under the FMLA. Approval from Broadspire is required for use of paid time to cover approved family medical leave.

To be eligible for FMLA:

You must be employed for at least one (1) year (Substitute employment is not considered permanent employment) and have worked at least 1,250 hours within the previous 12-month period. Broadspire will track and approve or deny FMLA eligibility.

Please note that you must use your available sick time before an unpaid leave can be approved.

MATERNITY LEAVE*

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

All provisions of FMLA and applicable contract apply to employees who take maternity leave. Physician certification is required for the medical portion of the leave in order to use paid sick leave. This would include any medically-necessary absence related to the pregnancy prior to the delivery of the child. If delivery occurs during vacation or before/during/or following the end of the school year (i.e. summer months, spring or winter break), the number of weeks during those periods will be considered part of the medically certified duration of time.

Days will not be deducted from your sick leave balance for these periods, holidays or dates designated as “calamity days”. Any time taken after you have been medically released by your physician cannot be deducted from sick leave; you may use other available leave balances.

PATERNITY LEAVE*

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

As with maternity leave, all the provisions of FMLA and your applicable contract apply. In addition, use of sick leave for paternity leave is based upon the physician’s certification of the birth parent and your sick leave balance for medical necessity. An employee can use other available leave balances before going into unpaid leave status for the remainder of the leave.

For maternity/paternity leave requests, use of estimated dates is acceptable.

ADOPTION LEAVE — PAID*

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

All provisions of FMLA apply to the adoption of a child. Paid adoption leave eligibility can vary based on applicable bargaining agreements or association guidelines.

ADOPTION LEAVE — UNPAID*

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

You may qualify for an unpaid adoption leave of absence based on provisions of FMLA and your applicable contract. Unpaid leaves of absences are scheduled to extend through the end of a school year. Written notification requesting termination of an unpaid adoption leave must be submitted to the Leaves of Absence team at least thirty (30) days prior to the anticipated return to work date.

ADDING NEW CHILD TO BENEFITS

If you wish to add your new child to your benefits, you will need to submit a Life Event in Employee Self Service (ESS) within thirty (30) days of the birth/adoption date. Once approved, you’ll be able to enroll your child. Please note that you will need to provide your child’s social security number to the Benefits Team when you receive it. You will be asked to provide verification of birth/ adoption documentation through the district’s verification administrator, BMI. If you have questions, contact the Benefits Team at 614 -365-6475 or Benefitquestions@columbus.k12.oh.us.

MILITARY LEAVE

FMLA Military Family Leave

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

Military Caregiver Act: Effective March 8, 2013, the NDAA made amendments to the FMLA’s Military Caregiver Leave provision which:

- Provides families of eligible veterans with the same job-protected FMLA leave currently available to families of military service members.
- Enables military families to take leave for activities that arise when a service member is deployed.
- Permits eligible employees to take leave to care for certain veterans with a serious injury or illness incurred or aggravated in the line of duty while on active duty, which manifested before or after the veteran left active duty.
- Allows military caregiver leave for current service members with a serious injury or illness that existed prior to service and that was aggravated by service in the line of duty while on active duty.

**Restrictions when both spouses work for CCS: Spouses employed by the same employer are limited to a combined total of twelve (12) work-weeks of family leave for the birth and care for a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition; 26 work-weeks if leave is to care for a covered military service member with a serious injury or illness. Leave for birth and care, or placement for adoption*

Military Leave Exigency: Effective March 8, 2013, the NDAA made amendments to the FMLA's Military Exigency Leave provision which:

- Extends qualifying exigency leave to eligible employees who are family members of members of the regular armed forces, and requires that all military members to be deployed to a foreign country in order to be "covered active duty" under the FMLA.
- Defines a "Covered Veteran" as limited to: a Veteran discharged or released under conditions, other than dishonorable, five years prior to the date the employee's military caregiver leave begins.
- Creates a flexible definition for serious injury or illness of a covered veteran that includes four alternatives, only one of which must be met.
- Permits eligible employees to obtain certification of a service member's serious injury or illness (both current service members and veterans) from any health care provider as defined in the FMLA regulations, not only those affiliated with the DOD, VA, or TRICARE networks (as was permitted under the 2009 regulations) Rest and Recuperation (R&R) Leave.
- Increases the amount of time an employee may take for qualifying exigency leave related to the military member's R&R leave from five (5) days to up to 15 days.
- Creates a new provision for Parental Care Qualifying Exigency Leave: An eligible employee may take qualifying exigency leave to care for the parent of a military member when the parent is incapable of self-care and the need for leave arises out of the military member's covered active duty or call to covered active duty status.

Regular Military Leave

Unpaid: In accordance with Section 3319.14 & 5923.05 of the Ohio Revised Code, leave of absence without pay shall be granted to anyone

who is inducted, called to active duty or who enlists for military duty with any branch of the United States Armed Forces. Employee must notify their administrator/supervisor of the absence as soon as possible prior to the date of the requested absence. A copy of the employee's official military orders must be submitted as soon as possible to Broadspire for processing.

- Broadspire will inform the CCS leaves team of the leave. The CCS leaves team will enter the leave into Red Rover if the position requires a substitute.

If you are on a long-term military leave and are anticipating returning to work, you must request termination of the leave, in writing, ***at least thirty (30) days prior*** to the return to work date.

ASSAULT LEAVE

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

Paid assault leave (Up to 20 days for building substitutes, and up to 40 days for all other staff) may be approved by Human Resources for an absence due to injury resulting from a physical assault which occurs on district property, or which occurs off district property, in connection with the performance of assigned duties, subject to the following stipulations:

- Conduct was within the bounds of general standards of professional behavior.
- The immediate supervisor or other appropriate administrator is notified as soon as possible after the occurrence.

To apply for Assault Leave, you will need to:

- Complete an incident report via PublicSchoolWorks: CCSOH.US > [Departments](#) > [Human Resources](#) > [Workplace Injury Reporting](#)
- Contact Broadspire, request Assault Leave and submit a medical note describing the nature and duration of the resulting disability and the necessity of absence. (Findings are subject to review by the CCS Board physician.)

In the event that these conditions are satisfied, you may be awarded up to forty (40) days of absence resulting from such occurrence. The absences will not be deducted from the employee's accumulated sick leave, personal leave or vacation leave. Please note that Assault Leave runs concurrently with FMLA leave.

WORK-RELATED INJURIES

If you are injured at work, you are required to complete a **Workplace Injury/Illness Report via Public School Works**, regardless of whether the injury results in receiving medical attention or not.

WORKERS' COMPENSATION

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

Absence Due To Work-Related Injury: If a Work-Related Injury claim is identified as "lost time" with the Bureau of Workers' Compensation (BWC), and you need to take time off as a result of the initial injury, you will need to contact Broadspire to request a leave of absence and provide medical documentation to certify your absence from work.

If a work-related injury results in an absence of seven (7) or fewer days, sick or vacation leave can be used. Injuries resulting in leaves of eight (8) or more days are subject to BWC rules. Contact your BWC Claims Representative at 1-800-644-6292 for additional information.

If your work-injury absence exceeds eight (8) or more work days, you have two options for pay:

- Go unpaid from CCS and receive compensation reimbursement from the BWC directly or;
- Remain in paid status, using your available leave balances (sick, vacation, personal)

If your work injury related leave exceeds eight (8) or more days, Please contact the CCS Leaves Team at leavesofabsence@columbus.k12.oh.us or 614-365-6791 to let them know which pay option you will choose.

NOTE: The BWC does not pay an employee for lost wages if you choose to use sick time during

your leave. However, CCS does offer a "**Sick Leave Buy-Back Program**" as a form of a wage agreement. The "Sick Leave Buy-Back Program" can be used by an employee to be reimbursed for SOME of the sick leave they used while out on a Workers' Compensation-approved leave. **Your intent to be reimbursed for this time MUST BE IDENTIFIED AT THE BEGINNING of the leave. Failure to complete this process will result in being ineligible for this reimbursement.**

Please note that Workers' Compensation Leave runs concurrently with FMLA leave.

Notes for Supervisor/Principal: An injured employee's supervisor/principal will receive a notification link from Public School Works via email when an employee reports an injury. The supervisor is responsible for thoroughly completing their portion of the injury report as part of an injury investigation. Supervisors are expected to validate the incident by:

- Reviewing the location and scene of the injury.
- Investigate the contributing factors and interview any potential witnesses.
- Determine if the injury was a result of unsafe acts and/or unsafe conditions.
- Recommend and identify the actions that were taken to prevent similar incidents.

LEAVE INFORMATION FOR ADMINISTRATORS AND CERTIFIED EMPLOYEES

FAMILY SICK LEAVE - PAID

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

All provisions of FMLA apply to employees taking leave for an eligible family member. Requests for absence due to illness of an immediate family member must be accompanied by a statement from the patient's physician which:

- Sets forth the relationship of the patient to the employee.
- States the nature of the patient's illness/disability.
- Explains the need for the absence of the employee.

"Immediate Family Member" is defined as: father, mother, brother, sister, son, daughter, husband or wife of the employee; and, if they resides in the home of the employee, the stepson, stepdaughter, grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, legal guardian or foster or stepparents, or any person living in the home to whom the employee becomes the primary caregiver. A physician must certify the primary caregiver.

Returning from Leave Due to Illness of

Immediate Family Member: The employee will provide Broadspire with notice at least three (3) days prior to returning to work when leave was granted due to illness of a family member.

The employee will NOT need a release from their

physician .

UNPAID SICK LEAVE (For Self)

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

All provisions of the FMLA apply to employees who take leave for their own serious medical condition. A disability period exceeding an employee's accumulated sick leave balance, or when the employee's absence exceeds the medically certified need by the physician (as could be the case in maternity/paternity/adoption leave), may result in an employee being placed on unpaid leave of absence status. Once the physician medically releases an employee to return to work, an employee may use personal time for any additional time, or it will be unpaid, regardless of sick leave balances. **The employee will not receive pay for a paid holiday if in an unpaid status before and/or after a paid holiday.**

If an employee anticipates exceeding their accumulated sick leave, or if an employee plans to take additional unpaid leave once released by the physician (e.g. maternity/paternity/adoption leave), please indicate this to Broadspire.

An employee who has the option to use available personal leave will need to let Broadspire know this when applying for unpaid leave.

SICK LEAVE – UNPAID IMPORTANT BENEFIT INFORMATION

When an employee is in unpaid status, the employee should contact the Employee Benefits Department regarding the continuation of his/her company sponsored benefits. The employee is responsible for making the monthly premiums (both employer and employee contributions) while they are in an unpaid status without FMLA designation. **Lack of payment will result in termination of benefits.**

SICK LEAVE – UNPAID IMPORTANT BENEFIT INFORMATION

When an employee is in unpaid status, the employee should contact the Employee Benefits Department regarding the continuation of his/her company sponsored benefits. The employee is responsible for making the monthly premiums (both employer and employee contributions) while they are in an unpaid status without FMLA designation. **Lack of payment will result in termination of benefits.**

UNPAID SICK LEAVE (For Self)

Contact Broadspire at 888-578-8561 or visit www.myleavetech.com

A disability period that exhausts your accumulated sick leave balance, or when your absence exceeds the medically certified need by your physician (as could be the case in maternity/paternity/adoption leave), may result in being placed in an unpaid leave of absence status. Once your physician releases an employee to return to work, any additional time taken is not able to be taken from your sick leave balance.

Please note that you will not receive pay for a paid holiday if you are in an unpaid status before and/or after a paid holiday.

If you anticipate exceeding your accumulated sick leave, or if you plan to take additional unpaid leave once released by your physician (e.g. maternity/paternity/adoption leave), please advise Broadspire of the date you would like this leave to begin.

RELIGIOUS LEAVE

Contact the CCS Leaves of Absence Team at leavesofabsence@columbus.k12.oh.us or 614-365-6791

You may be eligible to be absent with pay on a day identified as a religious holiday by a duly-constituted, religious body. The religious body must establish that, in order to properly observe the religious holiday, no work should be performed on the holiday and must substantiate that you are an active member of the religious body.

To apply for the Religious Holiday, you will need to submit an application for [Miscellaneous Leave](#) to the Leave of Absence Team at least five (10) school days prior to the holiday.

The application for Miscellaneous Leave can be found at ccsoh.us > Departments > Human Resources > Total Rewards > Leaves of Absence

Where holiday dates change each year or based on religious belief, employees will submit the request for an open date in the month of the holiday at least ten (10) school days prior to that month and then will follow up with the

exact requested day off when that date is known. A maximum of three (3) days can be approved per the school year. (The days shall not be deducted from any other leave.)

The CCS Leaves of absence team will enter your approved religious leave of absence into the appropriate absence system and a substitute will be requested if applicable.

You will receive a letter from the CCS Leaves of Absence team to acknowledge receipt of the request. It is your responsibility to follow the guidelines set forth in the letter.
